First Fruits Electronic Giving

Several members have told us how much they like the program for its convenience. They also mentioned how much they appreciate that their financial gifts to Faith Lutheran Church continue even if they are out of town and unable to attend a worship service.

Perhaps Electronic Giving is a way to help you achieve your stewardship goal for Faith Lutheran Church.

You can sign up for Electronic Giving at any time by completing an authorization form and returning it to the office with a voided check or deposit slip. Look for the First Fruits form in the rack across from the office.

A few questions members have had regarding First Fruits...

What do I do with my church envelopes now that I've signed up for First Fruits?

There are First Fruits stickers available in the rack across from the office that members can use on their envelopes to still have something to place in the offering basket. Also, there are other "special envelopes" in your envelope pack that are not on the offering designation for First Fruits, so some members still give offerings using those envelopes.

Once I turn in my sheets to the office, how long will it take to get this started?

For most transactions we only need about 3 days advance notice to get you started.

We've had a change in our financial status and I need to make an adjustment to our account, how do we do this?

Simply take a new First Fruits form and indicate what type of change you need to make, including any necessary details of those changes. Again, only about 3 days notice is necessary to make this change.

If you have any other questions regarding First Fruits, please call or stop by the church office, 920-922-3530.
